

Science Educator

Cheri Lamb
Molecular Biologist

Bringing science education to your classroom!

- ❖ Bring science to your students in new and exciting ways!
- ❖ Experiential field trips!
- ❖ Fun classroom lessons!

Free!

My Speciality:

As a biomedical researcher I am interested in the affects of dioxin (environmental contaminate) in the liver.

Some of the topics I can teach:

- ❖ Environmental Ed.
- ❖ Cell Biology & Cell Cycle
- ❖ Immunology
- ❖ Protein synthesis
- ❖ Genetics
- ❖ Anatomy / Physiology
