HOMESCHOOL ZOO AT ZOO BOISE (GRADES K-5)

Check out Zoo Boise's Homeschool Days on select Wednesday mornings throughout the Fall. The Homeschool Zoo programs provide a unique learning experience for students schooled at home. The course consists of classroom discussion, laboratory activities, animal encounters and specialized zoo tours. Starting Fall 2015, classes will align with State Science Standards and focus on topics and principles based on grade level. Themes will emphasize looking at animal groups and taxonomy, adaptations, habitats, and ecology.

- Each individual household must register their child for the class. Kids only! Please bring a small snack for a 15 minute break during class. Minimum students 10, maximum 25.
- See zooboise.org/educationprograms/childrenfamilies.aspx for schedule and details.
